May we stay together
forever no matter how bad
things may get. May Oh-Oh be
healthy & you and I get healthy. I hope
you can live with me & put up with me forever.
I know forever is a long time but that is how long
I would want to stay with you. I know you & I
have been through a lot, but, we have worked it all
out. I also know that we both have a lot to learn
about each other, about life, about living together
and about having children. We will
make it babe - cause I love you
love you always

TIGER FIGHT SONG

Oh! When the Breaux Bridge Tigers
fall in line
We're going to fight & win another
time
And for the maroon & white I yell
And for the Tiger team I yell, I yell,
I yell!!

We're going to fight, fight, fight for
every yard
Circle and end and hit the line
right hard
And roll the enemy upon the sod,
We're going to fight — fight —
fight!!

Mr. Mouton Retires

We bid a fond farewell to Mr. Charley Mouton, Jr. who retired from the St. Martin Parish school system last May. The entire student body will remember his leadership, his assistance and his understanding. We wish him well in his new endeavors and hope for his continued success in his business and personal life.

The 1981-82 year at Breau Bridge High was a year of many changes. The most outstanding was the appointment of Mr. Rufus Decquir as the new assistant principal who took over the duties that Mr. Mouton performed for eleven years.

It was a year of rainy days inside and out, soggy carpets, slippery floors and a sprinkler system that worked too well.

It was a year of a new homecoming queen, honors at state conventions and near defeats.

It was a year of many emotions which were prevalent in all aspects of school life.

Upwardbound

Upward Bound is a program designed to generate the necessary academic skill and motivation a student will need for success in a college program. All Upward Bound participants are required to meet in a two-hour weekly class during the academic year. Strength and weaknesses that commonly affect college success are detected during these class meetings. Participants are required to take part in a six-week summer program on the college campus of 1988 prior to their senior year in high school.

Speech

Speech Team Photo, Row 4 - Back

The school's first speech team was formed in 1968. The team's purpose is to develop good speaking habits and to provide the members with a chance to develop their speaking skills. The team is composed of students who are interested in public speaking and who are willing to work hard to improve their speaking skills. The team meets regularly and practices their speeches. The team also participates in various speaking contests and competitions. The team's success is a result of the hard work and dedication of its members.

The spirited voices of the Great Bridge cheerleaders rang throughout the football and basketball seasons. The energetic pep squad kept the fans cheering while the dance line entertained them. Under the outstanding leadership of their captain, Linda Joseph, and choreographer, Mrs. Paula Verrett, the dance line amazed the Tiger fans with their performances during the half-time activities. Wherever the Tiger team went, the voices of the pep squad members echoed close behind. Even through the coldest weather, the pep squad was able to keep the temperature of the fans up. The enthusiasm of their captain, Lisa Arceneaux, and co-captain Karen McFaul, helped make the pep squad the best possible. The outstanding dedication of the sponsors, Mrs. Crews and Mrs. Welland, made the year very enjoyable.
